Wire Rope & Accessories

We offer competitive pricing on all our wire rope assemblies. Fiber and steel core with eye and swivel hooks are available here.

These eye hooks can be used as an attachment on you new wire rope assemblies or as a replacement for your existing hooks.

These spring loaded latches help to contain loads within the hook body.

We have replacement sheaves available and a wide variety of other sheaves are available upon request.

Swivel hooks aid in rotation. They are Constructed of forged, quenched and tempered alloy steel.

U-Bolt clamps offer an effective way to repair wire rope ends.

Use wire rope thimbles to help reduce wear in the eyes of wire rope assemblies.

Choose from our wide variety of import and domestic snatch blocks. Available with hook, plain and anchor shackle ends in a multitude of sizes.
